

teachers hub

Be mobile and flexible in your learning space.

furnware®

teachers hub

Designed for, and in collaboration with teachers, this innovative and practical hub meets both your work space and storage requirements.

It may have a small footprint, but this nimble unit has the space to store laptops, files and personal belongings. Move the Teachers Hub around the classroom with you, or roll it out of the way when you need more space. Two work surfaces at different heights give you a choice of standing or sitting. Add a pinboard or whiteboard back for displays or small group teaching.

features.

- Environmental Choice NZ certified
- mobile on castors (including two braked)
- pop-out work surface at 730mm high
- four drawers, including file drawer and lockable top drawer
- cable access from front of drawer, ideal for charging devices
- options:
 - round or rectangular top
 - standard, whiteboard, or pinboard back panel
 - whiteboard top
