

# picnic pad

Take learning outdoors with fun, colourful cushions.

furnware®

# picnic pad

Take your learning into the great outdoors, where big imaginations have the space to think and do.

Perfect for discovery activities, exciting science experiments and nature studies. Use one Picnic Pad for sitting on the ground or two for leaning back against a wall to create a chair. They're super lightweight and easy to stack, so even the youngest learners can carry their own.

## features.

- removable cover
- inner made with weather resistant foam
- outer made with weather resistant material and trim
- suitable for use on outdoor surfaces such as concrete, grass and decking
