

whiteboard tables

Writeable surfaces for a low-tech, high impact learning tool.

furnware®

whiteboard tables

Transform any Furnware table into an effective teaching and learning tool.

Whiteboard tables afford a number of practices to support your pedagogy, including collaborative learning, group discussion and small teacher-led activities. These writeable surfaces boost student creativity, encourage visible thinking, and, with the write on - wipe off surface, are a low risk, high reward teaching tool.

features.

- available in all our standard shapes. Please enquire for custom shapes
- whiteboard table benefits: collaboration, high visibility, low risk/high reward, display and record
